Education

B.Tech in Computer Science (Specialization in Cybersecurity) 2023 – 2027 (Expected)
GITAM University, Visakhapatnam

12th Grade 2021 – 2023
Narayana Junior College, Visakhapatnam

10th Grade Completed 2021
Ravindra Bharathi School, Visakhapatnam

Skills

Programming Languages: Python, Java, C
Technologies: Data Structures & Algorithms, Linux, APIs
Tools & Platforms: Git, Docker, VS Code
Soft Skills: Problem Solving, Analytical Thinking, Teamwork, Collaboration

Experience

Technical Lead Remote
CHITTI September 2024 – Present

- Led development of a student platform, evaluating requirements, estimating costs, and implementing features across 3 product phases.
- Collaborated with a team to build and iterate services, increasing user base from 2,200 to 6,300+ users through agile development.
- Managed technical aspects, including coding in Python and Java, ensuring scalable and efficient software solutions.

Web Designer and Developer Remote
Young Compete May 2024 – Dec 2024

- Developed and implemented web features using programming languages, improving site performance by 30%.
- Worked on real-world projects, collaborating with teams to create user-centric services and tools.

Cybersecurity Intern Remote
Intrainz March 2024 – May 2024

- Gained hands-on software development experience with tools like Metasploit and Nmap, focusing on scripting and automation.
- Collaborated on projects to evaluate and implement security features, enhancing coding and problem-solving skills.

Certifications

-
- Cybersecurity Essentials, Cisco
 - Introduction to Cybersecurity, Linux Foundation

Achievements

-
- 1st Runner-Up – Technovate (India Student Conclave by Times of India) winning 40,000 prize money
 - Achieved 2nd place in a coding competition, earning 5,000 prize money for a secure transaction system.
 - Recognized as Top Performer of 2024 at Young Compete for outstanding contributions to web development.
